

ADDENDUM TO ECP ENROLLMENT PACKAGE

IMMUNIZATION RECORDS

It has just come to our attention that all Extended Care Program enrolled students must have current immunization records on file within 30 days of attendance in the program.

Please contact your pediatrician immediately to satisfy this requirement. As the ECP program is parish based, we do not have access to your child's health records at the school. Therefore, please send your immunization records to:

Dorothy Mickwee
Director
Our Lady of the Assumption
Extended Care Program
1350 Hearst Drive, N.E.
Atlanta, Georgia 30319

Students without current immunization records on file will be prohibited from admission to the program. Thank you in advance for your cooperation.
