

Commitment of Treasure

Your financial commitment is one that should be made after prayerful consideration and reflection. It should be intentional, planned and proportionate.

We encourage the use of parish offertory envelopes. They are helpful reminders of your Stewardship Commitments, they encourage consistency in giving, and they allow the parish to keep an accounting of your contributions for tax purposes. Pre-printed envelopes will soon be mailed to you on a monthly basis. If you choose other means of giving (online banking, bank draft or stock options), please continue to drop the envelope in the basket and check the "electronic giver" box.

Pledge of Financial Support

In prayerful thanksgiving of God's many blessings, this is my/our financial commitment for the support of the parish for the upcoming year:

(Please complete one:)

\$ _____ weekly \$ _____ monthly \$ _____ quarterly \$ _____ annually

I/we cannot give a gift of Treasure at this time, but I/we offer a gift of prayer.
